1 CLOSE MATCH: LAMP

This elegant lamp started life as a Victorian candlestick, which Studio Reed found and turned into a lamp. For something similar, **Soane** (020-7730 6400; www.soane.co.uk) has several palm and lotus-leaf lamps to choose from - pictured is the 'Wilted Lotus Lamp', in antiqued gilt, which costs £1,300.

2 SHOP: CHINA AND GLASSWARE

Willer (020-7937 3518; www.willer.co.uk) is the source of the beautiful china and glasses on this table. The plates and bowls are porcelain, from a range called Moire. Expect to pay £80 for a dinner plate. The glasses are Murano glass, made for Willer's 'private label'. They come in three colours and cost from £53 each.

This is the wool 'Hagga Gooseye' (909), from Swedish company Kasthall. It can be custom made in any size up to 650cm wide, and either fitted or used as a rug. It costs from £225.25 a square metre, at **Sinclair Till** (020-7720 0031; www.sinclairtill.co.uk).
