

KITCHEN

Mark Smith's cleverly designed kitchen makes maximum use of space. The grey and white zigzag linoleum flooring is from Sinclair Till (020-7720 0031; www.sinclairtill.co.uk) and provides a contrast to the curved banquette, round table and domed lamp. It is £69.30 per square metre. Mark has chosen a darker shade of greeny grey for the kitchen cupboards – follow his lead with 'Green Smoke' by Farrow & Ball (01202-876141; www.farrow-ball.com), which costs £32.50 for 2.5 litres of matt emulsion.

PENDANT LIGHT

The elegant, simple glass pendant in the television room is the creation of the Swedish company Skogsberg & Smart. It is handmade and available in two finishes and three sizes from Vessel (020-7727 8001; www.vesselgallery.com). Mark opted for the largest size, which measures 38 x 64cm and costs £1,600.
