

FLOORING

The chequerboard flooring of the kitchen creates a mid-century aesthetic. Sinclair Till (020-7720 0031; www.sinclairtill.co.uk) is a good source for linoleum, and the chequerboard with spots would create a similar effect, costing £59.20 per square metre. For more colour, try the 'Mondrian' design, which costs from £75.45 for a square metre.

WALLPAPER

Floral garlands adorn the main bedroom walls. This is Pierre Frey's (020-7376 5599; www.pierrefrey.com) 'Sans Papillons' wallpaper in 'Corail', which costs £303 for a 4.57-metre roll.

FABRIC

Max upholstered the comfortable-looking armchair in the sitting room with a cotton print fabric from Claremont (020-7581 9575; www.claremontfurnishing.com). This is 'Musiciens Chinois Gris' and costs £240 for a metre.

PRINTS

Max Rollitt found the bird pictures hung in the main bedroom at an antiques shop. If you don't have the same eagle eye, try reproduction prints from Surface View (01189-221327; www.surfaceview.co.uk). Pictured (from top) are a wood stork, roseate tern and herring gull. Dimensions and prices vary for each print, but start at roughly 90 x 60cm and £175 □
